Executive management

While the Chancellor and Deputy Chancellor lead the University Senate, the Vice-Chancellor and President is the University's Chief Executive Officer, responsible to Senate for overall strategic planning, finance and external affairs direction.

The Vice-Chancellor and President was supported in 2021 by the Senior Executive Team comprising:

- Provost and Senior Vice-President
- Deputy Vice-Chancellor (Academic)
- Deputy Vice-Chancellor (Global Engagement)*
- Deputy Vice-Chancellor (Research and Innovation)
- Chief Operating Officer
- Executive Dean, Faculty of Business, Economics and Law
- Executive Dean, Faculty of Engineering, Architecture and Information Technology
- Executive Dean, Faculty of Health and Behavioural Sciences
- Executive Dean, Faculty of Humanities and Social Sciences
- Executive Dean, Faculty of Medicine
- Executive Dean, Faculty of Science
- Director, Queensland Brain Institute (representing the research institutes).

The Senior Executive Team has responsibility for advising the Vice-Chancellor on whole-of-university management, strategic direction, budget setting, oversight of risk and assurance, and organisational culture.

* On 5 July 2021, Dr [Name] (Executive Director) was appointed as Deputy Vice-Chancellor (Global Engagement) and Professor [Name] was appointed as Deputy Vice-Chancellor (Research and Innovation).
